The Discovery Club

THE DISCOVERY CLUB.....

Is a CACC and CACC Montessori School joint collaboration seeking to enhance student learning in the areas of foreign language, math, language and art. Join us and discover your hidden talents!

THE PROGRAM.....

Foreign Language-

Instruction will be given biweekly both in Mandarin Chinese and Spanish. Taking advantage of this opportune time to teach a foreign language to children, they will learn basic words and phrases, while being introduced to the culture of each country.

Language & Math-

Students will receive small group instruction based on individual and common interests and needs. Goals will be to promote language and math skills, developing a positive experience in these academic areas.

Art-

Students will develop their creativity through the use of various materials. Focus will be on short and long term projects.

OUR STAFF.....

Is part of the Montessori community and is well – trained, enthusiastic and experienced in working with children.
